9	1	12/14/2024	12/27/2024	1/3/2025

In Workday, Overload Payment is considered a Period Activity Pay (PAP). WD will spread the payment over the course of the activity. Each activity will have a start and end date and the payment will be divided between these dates on a bi-weekly basis.

The payment schedule above is for the Faculty who are teaching full semester. If the teaching assignment have a different start and end dates, the frequency of the payments will change.
