 - **Network Pass: Switch Worry-Free**
 - Switchers are taking a huge leap of faith. They have no way of knowing if the network will really work.

 - **And now they can!** With T-Mobile's new **Network Pass**, people with unlocked eSIM-compatible phones can try T-Mobile's award-winning network for FREE for up to THREE MONTHS with unlimited data, including 5G.
 - They keep their phone, their number, their plan ... and they don't even need to share their credit card number. Switch with confidence, knowing that T-Mobile works for them.

- **Easy Switch: Join T-Mobile in Minutes**

- T-Mobile Easy Switch is a simple new way to switch your phone or your entire family – up to five lines via the app – to T-Mobile without calling or making a trip to a store.
- No waiting in line. No sitting on hold. Easy Switch uses the latest technology to switch your current compatible phone and number to T-Mobile.
